

(1) The foreign company is engaged predominantly in business outside the United States or in internationally related activities in the United States;* (2) the direct or indirect activities of the foreign company in the United States are either banking or closely related to banking; and (3) the United States banking organization does not own 25 percent or more of the voting stock of, or otherwise control, the foreign company. In considering whether to grant its consent for such investments, the Board would also review the proposals to ensure that they are consistent with the purposes of the Bank Holding Company Act and the Federal Reserve Act.

SOURCE: 61 FR 40302, Aug. 2, 1996, unless otherwise noted.

§ 212.1 Authority, purpose, and scope.

(a) *Authority.* This part is issued under the provisions of the Depository Institution Management Interlocks

*This condition would ordinarily not be met where a foreign company merely maintains a majority of its business in international activities. Each case will be scrutinized to ensure that the activities in the United States do not alter substantially the international orientation of the foreign company's business.

Act (Interlocks Act) (12 U.S.C. 3201 *et seq.*), as amended.

(b) *Purpose.* The purpose of the Interlocks Act and this part is to foster competition by generally prohibiting a management official from serving two nonaffiliated depository organizations in situations where the management interlock likely would have an anti-competitive effect.

(c) *Scope.* This part applies to management officials of state member banks, bank holding companies, and their affiliates.

§ 212.2 Definitions.

For purposes of this part, the following definitions apply:

(a) *Affiliate.* (1) The term *affiliate* has the meaning given in section 202 of the Interlocks Act (12 U.S.C. 3201). For purposes of that section 202, shares held by an individual include shares held by members of his or her immediate family. "Immediate family" means spouse, mother, father, child, grandchild, sister, brother, or any of their spouses, whether or not any of their shares are held in trust.

(2) For purposes of section 202(3)(B) of the Interlocks Act (12 U.S.C. 3201(3)(B)), an affiliate relationship based on common ownership does not exist if the Board determines, after giving the affected persons the opportunity to respond, that the asserted affiliation was established in order to avoid the prohibitions of the Interlocks Act and does not represent a true commonality of interest between the depository organizations. In making this determination, the Board considers, among other things, whether a person, including members of his or her immediate family, whose shares are necessary to constitute the group owns a nominal percentage of the shares of one of the organizations and the percentage is substantially disproportionate to that person's ownership of shares in the other organization.

(b) *Anticompetitive effect* means a monopoly or substantial lessening of competition.

(c) *Area median income* means:

(1) The median family income for the metropolitan statistical area (MSA), if a depository organization is located in an MSA; or

§ 212.2

12 CFR Ch. II (1–1–99 Edition)

(2) The statewide nonmetropolitan median family income, if a depository organization is located outside an MSA.

(d) *Community* means a city, town, or village, and contiguous and adjacent cities, towns, or villages.

(e) *Contiguous or adjacent cities, towns, or villages* means cities, towns, or villages whose borders touch each other or whose borders are within 10 road miles of each other at their closest points. The property line of an office located in an unincorporated city, town, or village is the boundary line of that city, town, or village for the purpose of this definition.

(f) *Critical*, as used in § 212.5, means important to restoring or maintaining a depository organization's safe and sound operations.

(g) *Depository holding company* means a bank holding company or a savings and loan holding company (as more fully defined in section 202 of the Interlocks Act (12 U.S.C. 3201)) having its principal office located in the United States.

(h) *Depository institution* means a commercial bank (including a private bank), a savings bank, a trust company, a savings and loan association, a building and loan association, a home-stead association, a cooperative bank, an industrial bank, or a credit union, chartered under the laws of the United States and having a principal office located in the United States. Additionally, a United States office, including a branch or agency, of a foreign commercial bank is a depository institution.

(i) *Depository institution affiliate* means a depository institution that is an affiliate of a depository organization.

(j) *Depository organization* means a depository institution or a depository holding company.

(k) *Low- and moderate-income areas* means census tracts (or, if an area is not in a census tract, block numbering areas delineated by the United States Bureau of the Census) where the median family income is less than 100 percent of the area median income.

(l) *Management official*. (1) The term *management official* means:

(i) A director;

(ii) An advisory or honorary director of a depository institution with total assets of \$100 million or more;

(iii) A senior executive officer as that term is defined in 12 CFR 225.71(a);

(iv) A branch manager;

(v) A trustee of a depository organization under the control of trustees; and

(vi) Any person who has a representative or nominee, as defined in paragraph (p) of this section, serving in any of the capacities in this paragraph (l)(1).

(2) The term *management official* does not include:

(i) A person whose management functions relate exclusively to the business of retail merchandising or manufacturing;

(ii) A person whose management functions relate principally to a foreign commercial bank's business outside the United States; or

(iii) A person described in the provisos of section 202(4) of the Interlocks Act (referring to an officer of a State-chartered savings bank, cooperative bank, or trust company that neither makes real estate mortgage loans nor accepts savings).

(m) *Office* means a principal or branch office of a depository institution located in the United States. *Office* does not include a representative office of a foreign commercial bank, an electronic terminal, a loan production office, or any office of a depository holding company.

(n) *Person* means a natural person, corporation, or other business entity.

(o) *Relevant metropolitan statistical area (RMSA)* means an MSA, a primary MSA, or a consolidated MSA that is not comprised of designated Primary MSAs to the extent that these terms are defined and applied by the Office of Management and Budget.

(p) *Representative or nominee* means a natural person who serves as a management official and has an obligation to act on behalf of another person with respect to management responsibilities. The Board will find that a person has an obligation to act on behalf of another person only if the first person has an agreement, express or implied, to act on behalf of the second person

Federal Reserve System

§ 212.4

with respect to management responsibilities. The Board will determine, after giving the affected persons an opportunity to respond, whether a person is a *representative or nominee*.

(q) *Total assets*. (1) The term *total assets* means assets measured on a consolidated basis and reported in the most recent fiscal year-end Consolidated Report of Condition and Income.

(2) The term *total assets* does not include:

(i) Assets of a diversified savings and loan holding company as defined by section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F)) other than the assets of its depository institution affiliate;

(ii) Assets of a bank holding company that is exempt from the prohibitions of section 4 of the Bank Holding Company Act of 1956 pursuant to an order issued under section 4(d) of that Act (12 U.S.C. 1843(d)) other than the assets of its depository institution affiliate; or

(iii) Assets of offices of a foreign commercial bank other than the assets of its United States branch or agency.

(r) *United States* means the United States of America, any State or territory of the United States of America, the District of Columbia, Puerto Rico, Guam, American Samoa, and the Virgin Islands.

§ 212.3 Prohibitions.

(a) *Community*. A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same community.

(b) *RMSA*. A management official of a depository organization may not serve at the same time as a management official of an unaffiliated depository organization if the depository organizations in question (or a depository institution affiliate thereof) have offices in the same RMSA and each depository organization has total assets of \$20 million or more.

(c) *Major assets*. A management official of a depository organization with total assets exceeding \$1 billion (or any affiliate thereof) may not serve at the same time as a management official of

an unaffiliated depository organization with total assets exceeding \$500 million (or any affiliate thereof), regardless of the location of the two depository organizations.

§ 212.4 Interlocking relationships permitted by statute.

The prohibitions of § 212.3 do not apply in the case of any one or more of the following organizations or to a subsidiary thereof:

(a) A depository organization that has been placed formally in liquidation, or which is in the hands of a receiver, conservator, or other official exercising a similar function;

(b) A corporation operating under section 25 or section 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 12 U.S.C. 611 *et seq.*, respectively) (Edge Corporations and Agreement Corporations);

(c) A credit union being served by a management official of another credit union;

(d) A depository organization that does not do business within the United States except as an incident to its activities outside the United States;

(e) A State-chartered savings and loan guaranty corporation;

(f) A Federal Home Loan Bank or any other bank organized solely to serve depository institutions (a bankers' bank) or solely for the purpose of providing securities clearing services and services related thereto for depository institutions and securities companies;

(g) A depository organization that is closed or is in danger of closing as determined by the appropriate Federal depository institution's regulatory agency and is acquired by another depository organization. This exemption lasts for five years, beginning on the date the depository organization is acquired; and

(h)(i) A diversified savings and loan holding company (as defined in section 10(a)(1)(F) of the Home Owners' Loan Act (12 U.S.C. 1467a(a)(1)(F))) with respect to the service of a director of such company who also is a director of an unaffiliated depository organization if:

(i) Both the diversified savings and loan holding company and the unaffiliated depository organization notify

their appropriate Federal depository institutions regulatory agency at least 60 days before the dual service is proposed to begin; and

(ii) The appropriate regulatory agency does not disapprove the dual service before the end of the 60-day period.

(2) The Board may disapprove a notice of proposed service if it finds that:

(i) The service cannot be structured or limited so as to preclude an anticompetitive effect in financial services in any part of the United States;

(ii) The service would lead to substantial conflicts of interest or unsafe or unsound practices; or

(iii) The notificant failed to furnish all the information required by the Board.

(3) The Board may require that any interlock permitted under this paragraph (h) be terminated if a change in circumstances occurs with respect to one of the interlocked depository organizations that would have provided a basis for disapproval of the interlock during the notice period.

§ 212.5 Regulatory Standards exemption.

(a) *Criteria.* The Board may permit an interlock that otherwise would be prohibited by the Interlocks Act and § 212.3 if:

(1) The board of directors of the depository organization (or the organizers of a depository organization being formed) that seeks the exemption provides a resolution to the Board certifying that the organization, after the exercise of reasonable efforts, is unable to locate any other candidate from the community or RMSA, as appropriate, who:

(i) Possesses the level of expertise required by the depository organization and who is not prohibited from service by the Interlocks Act; and

(ii) Is willing to serve as a management official; and

(2) The Board, after reviewing an application submitted by the depository organization seeking the exemption, determines that:

(i) The management official is critical to the safe and sound operations of the affected depository organization; and

(ii) Service by the management official will not produce an anticompetitive effect with respect to the depository organization.

(b) *Presumptions.* The Board applies the following presumptions when reviewing any application for a Regulatory Standards exemption:

(1) An interlock will not have an anticompetitive effect if it involves depository organizations that, if merged, would not cause the post-merger Herfindahl-Hirschman Index (HHI) to exceed 1800 and would not cause the HHI to increase by more than 200 points. This presumption does not apply to depository organizations subject to the Major Assets prohibition of § 212.3(c).

(2) A proposed management official is critical to the safe and sound operations of a depository institution if:

(i) That official is approved by the Board to serve as a director or senior executive officer of that institution pursuant to 12 CFR 225.71; and

(ii) The institution had operated for less than two years, was not in compliance with minimum capital requirements, or otherwise was in a “troubled condition” as defined in 12 CFR 225.71 at the time the service under that section was approved.

(c) *Duration of interlock.* An interlock permitted under this section may continue until the Board notifies the affected depository organizations otherwise. The Board may require termination of any interlock permitted under this section if the Board concludes, after giving the affected persons the opportunity to respond, that the determinations under paragraph (a)(2) of this section no longer may be made. A management official may continue serving the depository organization involved in the interlock for a period of 15 months following the date of the order to terminate the interlock. The Board may shorten this period under appropriate circumstances.

§ 212.6 Management Consignment exemption.

(a) *Criteria.* The Board may permit an interlock that otherwise would be prohibited by the Interlocks Act and § 212.3

Federal Reserve System

§ 212.9

if the Board, after reviewing an application submitted by the depository organization seeking an exemption, determines that the interlock would:

(1) Improve the provision of credit to low- and moderate-income areas;

(2) Increase the competitive position of a minority- or women-owned depository organization;

(3) Strengthen the management of a depository institution that has been chartered for less than two years at the time an application is filed under this part; or

(4) Strengthen the management of a depository institution that is in an unsafe or unsound condition as determined by the Board on a case-by-case basis.

(b) *Presumptions.* The Board applies the following presumptions in reviewing any application for a Management Consignment exemption:

(1) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(3) of this section if that official is approved by the Board to serve as a director or senior executive officer of that institution pursuant to 12 CFR 225.71 and the institution had operated for less than two years at the time the service was approved; and

(2) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(4) of this section if the official is approved by the Board to serve as a director or senior executive officer of the institution pursuant to 12 CFR 225.71 and the institution was not in compliance with minimum capital requirements or otherwise was in a “troubled condition” as defined under 12 CFR 225.71 at the time service was approved.

(c) *Duration of interlock.* An interlock granted under this section may continue for a period of two years from the date of approval. The Board may extend this period for one additional two-year period if the depository organization applies for an extension at least 30 days before the current exemption expires and satisfies one of the criteria specified in paragraph (a) of this section. The provisions set forth in para-

graph (b) of this section also apply to applications for extensions.

§ 212.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service or apply for an exemption to the Interlocks Act if a change in circumstances causes the service to become prohibited under that Act. A change in circumstances may include, but is not limited to, an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an acquisition, a merger, a consolidation, or any reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the state member bank or bank holding company involved in the interlock for 15 months following the date of the change in circumstances. The Board may shorten this period under appropriate circumstances.

§ 212.8 Enforcement.

Except as provided in this section, the Board administers and enforces the Interlocks Act with respect to state member banks, bank holding companies, and affiliates of either, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part. If an affiliate of a state member bank or a bank holding company is subject to the primary regulation of another Federal depository organization supervisory agency, then the Board does not administer and enforce the Interlocks Act with respect to that affiliate.

§ 212.9 Effect of Interlocks Act on Clayton Act.

The Board regards the provisions of the first three paragraphs of section 8 of the Clayton Act (15 U.S.C. 19) to have been supplanted by the revised and more comprehensive prohibitions on management official interlocks between depository organizations in the Interlocks Act.
